

Volunteer role description

Volunteer position

Location

We are looking for dedicated volunteers to help raise awareness of Blood Cancer UK and blood cancer in their local communities. As a community awareness volunteer, you will act as Blood Cancer UK's ears and eyes in the community, helping us to build strong relationships with community members and healthcare professionals.

About Blood Cancer UK

We are Blood Cancer UK, the largest UK blood cancer charity and the biggest dedicated funder of research into all types of blood cancer, we ensure everyone affected has access to high quality information and support and campaign for better treatments. We've been working to beat blood cancer for over 50 years and we won't stop until we do. Our investment in research has been fundamental to the UK developing a strong research base in blood cancers that is recognised for its quality around the world.

What's involved?

- Manning information stands that display our patient information and support services at various healthcare and wellbeing events
- Replenishing and delivering our patient information to hospitals, GP surgeries and information centres targeted towards those affected by blood cancer
- Working closely with our local Community Groups
- Relationship building with individuals in your community to help raise awareness around Blood Cancer UK and blood cancer support
- Representing Blood Cancer UK in the local community
- Research and outreach for events Blood Cancer UK could have a presence at

What will I get out of it?

- Contributing to a charitable cause and having an impact on the lives of people affected by blood cancer
- Strong relationships with people in your community
- Meeting like-minded people
- An opportunity to use your skills sets, while developing and learning new ones
- Blood Cancer UK core induction and training
- A reliable reference
- Reimbursement of out-of-pocket expenses

Skill and assets

- Organised
- Strong communicator and relationship building skills
- Team player
